## SAILING NEWS

This Wednesday is the BYC overnight race. The conditions are looking light but hopefully the sailors get a little bit more wind than currently forecast. This race is a great test for new crews and skippers who wish to compete in the more strenuous conditions of the Maria Island race and Launceston to Hobart later in the year.

Good luck to all the sailors competing in this event.

For those who are not competing in the overnight race, BYC are hosting the BYC Twilight Pursuit race. The entry for this race is already covered in your twilight series

entry, so just show up and have some fun.

BYC is also the host for the coming week's Midweek race and the first Summer Pennant Long Race next Saturday.

Thanks Clint for some great photos of last Wednesday's race.

REMINDER : to all boat owners - make sure you have submitted your audit forms in time for the racing. Audit forms can be collected from the sailing office at BYC or via the website link <https://byc.org.au/racing/sailing-documents/>

**NOTE:** The BYC Overnight Race is a CAT 4 and will need to be done by an auditor – please contact Ian Marshall 0438 299950 or Drew Meinke 0429 488 414 for these.

Which of the eagle eyed members among you have noticed the new signage popping up around the club? It looks great and we are excited to introduce the newest BYC member - our mascot Steven Seagull! He loves chips, the occasional sip of beer and has a lot to say ... BYC 2.0 new branding - we hope you like it :)

## BOSUN'S LOCKER

### **BOSUN'S LOCKER - CAR BOOT SALE SAVE THE DATE - SUNDAY 22 NOVEMBER 10AM - 3PM RESERVE YOUR SPOT \$20 - BYC CAR PARK**

Bring down your treasures and/or come along to grab yourself a bargain. If you have items for sale - reserve yourself a prime spot to sell your wares for a mere \$20.00. Items are not required to be nautical or sailing related - it's a great opportunity for a spring clean - sell whatever you like so long as it's legal! Bring the family down for a day out by the water - have a browse, grab a coffee and a bite to eat and if you are lucky you might even bump into our very special surprise guest who is flying in specially! Our lips are sealed - you will have to be there to find out who the secret celebrity is... Sssssshhhhhh...

Book your space by emailing [office@byc.org.au](mailto:office@byc.org.au).

## Sailing Courses

The *sailBYC* team has been very busy over the past few months. We've completed 3 *Start Crewing* courses and the 4th starting on Oct 26 is nearly fully booked. There's still a few spots left on the course which starts 2 Nov. Are you like me, often found walking around trying to find a Xmas gift on Xmas leave? The office now has gift vouchers so maybe you know some one who'd like to learn how to sail. Why not put one in the Xmas stocking?

One thing we've learnt is that there may be some people who have a boat and would like individual help from the vast experience that our instructors have. We can customise a program to your individual needs. Just give Mike or Sam at the office a call or give John, Simon or myself a buzz and we'll do our best to help.

**Nav with Baz** is a new offering and has been a great success. It's very much targeted for local conditions and very much hands on with heaps of practical exercises. We'll run this course again next year for sure.

We will also be running the **Diesel Maintenance** course again. I have to say running the practical on the weekend of the pipe opener wasn't a good idea. It is a very important skill to have, whether you own the boat or are part of the crew. If the engine won't run and you can't fix it, you're all stuck and it's a skill that you'll have for future years. I did my course 20 years ago, and I've had to use it in anger only a few times but it saved me a lot of embarrassment. Meanwhile its always good to be able to identify problems before they become serious.

The Launceston to Hobart race requires 2 crew to have the safety at sea and survival accreditation and we're offering this either as a two evening plus one day in the weekend starting 3 Nov, or you can do the course on Sat and Sunday starting Dec 12.

Don't forget that as a member you can get a 10% discount. Just enter the code 'BYC' in the discount voucher box.  
That's it for this week.... See you around the club.

Jeff

## DINGHY SPOTS AVAILABLE NOW

Available at \$9 per week - limited places available so register your interest now by emailing [office@byc.org.au](mailto:office@byc.org.au)

The new dinghy shed will offer secure undercover storage. Construction is expected to be completed mid-late October and we will notify all applicants then.
