## SAILING INSTRUCTIONS

These instructions apply in conjunction with the instructions in the Bellerive Boat Club Fixtures, Courses and Sailing Instructions 2021-22 booklet.

**STARTING TIME:** A list of entries will be published on the BYC notice board and website. Copies will be available to all entrants. This list will give the minute indicating the starting time for each boat after the Start Time. The Start Time is 1750 hours.

**STARTING PROCEDURE:** This changes Rule 26. The starting time for each boat will be the display of its indicated minute after the starting signal by a numeral on the Victoria Esplanade Box. For example, a boat shown as due to start at 5 minutes may start at the instant when the numerals 4 are replaced with the numerals 5.

A class flag will not be displayed at the Warning Signal. The compass bearing of the marks will be displayed at the Warning Signal and will remain displayed until all entrants have started.

**RECALLS:** This changes Rule 29.1. There will be no recall signal, and it is the responsibility of each boat to determine whether it is over the starting line at its starting time. A boat which infringes and fails to start subsequently to the satisfaction of the PRO is subject to a penalty of three places unless it is disqualified by the Race Committee. The PRO may elect to notify an infringement by making two sound signals and/or a radio communication in accordance with BYC Sailing Instruction 2.7.
