

DAVE HANSEN MEMORIAL CRUISE

TARANNA BOAT CLUB – BELLERIVE YACHT CLUB

COVID PLAN

MANDATORY CHECK IN

This to be done in the usual manner via mobile apps or in the absence of such technology manual sign in with name and contact number.

MAINTAIN SOCIAL DISTANCING

Members and guests to maintain adequate social distancing in accordance with Health Department recommendations and square metre rules if applicable at the time of the Cruise. Use outdoor areas for gatherings such as briefings, meetings, presentations and gatherings. If COVID is a concern at the time of the event, participants may elect to use communication technologies to participate in briefings and presentations. If the management committee sees fit, participants may be asked to stay aboard vessels and the briefing will be undertaken on VHF radio. Members of both clubs to avoid physical contact (elbow bump rather than handshake etc.)

MASK WEARING

Mask wearing while inside is a requirement unless seated for eating and drinking where it becomes optional. Disposable masks on hand.

CLEANING

COVID cleaning practices implemented prior to event including sanitising of all tables, bar, food preparation and touch surfaces as well as cleaning door handles and toilet facilities.

HAND HYGIENE

Sanitiser will be placed at key points such as entrances, food preparation areas, barbeque area and toilets in line with advice by authorities.

VENTILATION

Premises to be ventilated as appropriate. Open doors and windows where possible.

VACCINATION POLICY

It is the policy of BYC that all members be double vaccinated and with triple when available in order to enter any club premises. This is also recommended at TBC.
