The Committee Boat will be moored in an area bounded by a line between Castray Esplanade and Kangaroo Bluff to the north and Crayfish Point and Trywork Point to the south. STARTING INSTRUCTIONS: After each start there may be a 30 second time lag in the displaying of the new Group Identifier and course flag/course board but the time for the succeeding Group shall be taken from the signal indicating the start of the previous Group. Competitors may be advised of starting procedure signals on VHF Channel 81. Note: Boats should not transmit on VHF Channel 81 whilst a starting sequence is in progress except in an emergency.

RECALLS: Individual and General Recalls may be subsequently announced on VHF Channel 81. Failure to notify individual recalls by radio shall not be grounds for redress.

COURSE SIGNALS: Courses will be indicated by course boards displayed on the Race Committee Boat. A windward laid mark may be laid as the first mark of the course after the start. This mark will be an orange inflatable buoy and if deployed will be laid approximately to windward at a distance of approximately 0.5 – 2.0 nautical miles from the starting line. The direction of rounding the windward mark will be indicated on the Race Committee Boat – green for starboard rounding and red for port rounding. If no signal is made, this mark is deleted from the course. The deployment or non-deployment of this mark may be advised by VHF Channel 81. Failure to advise will not be grounds for redress.
