

2023 Banjo's Shoreline Crown Series Regatta

A Welcome Message from BYC Commodore

On behalf of Bellerive Yacht Club, it is my pleasure to invite you to participate in the 2023 Crown Series Regatta being held from Friday 24th February through to Sunday 26th February 2023.

This is Bellerive Yacht Club's 19th Crown Series Regatta and is the pinnacle of keel boat racing in Tasmania and a wonderful opportunity for sailors from all Clubs and corners of Tasmania to come together and test their sailing skills amongst the very best sailors on the beautiful Derwent River.

The regatta is open to yachts of all designs and classes from "Off The Beach" dinghies to ocean racing yachts. The club would be delighted to cater for any class of yacht that meets the entry requirements as detailed in the Notice of Race which will be publicised by 31st December 2022.

We are extremely pleased to again have as our major sponsor Banjos Shoreline. Banjos Shoreline have been a fantastic supporter of the Crown Series for several years and continue to strongly support Bellerive Yacht Club in staging the regatta.

All racing is conducted within the confines of the Derwent River and offers spectacular viewing from a wide range of vantage points around the race venue.

Bellerive Yacht Club will again be offering an Early Bird Entry prize as an incentive to get entries in early. Details will be provided in the Notice of Race which will be published on the BYC website during December.

I would like to acknowledge the wonderful cooperation and support from other yacht clubs. Bellerive Yacht Club is indebted to the ongoing support and thank all involved. To run an event of this scale requires an enormous amount of effort and volunteer resources both on and off the water.

The organising committee is working very hard to make this Banjos Crown Series Regatta a great sailing experience.

If you have any enquiries, please feel free to contact the Regatta Coordinator, Tony Garrett, phone 0448 495 949.

Please accept this invitation to enter and participate in this fantastic regatta.

Thank You
Jeff Cordell
Commodore Bellerive Yacht Club
