

REGATTA PROGRAM

The *Banjo's Shoreline Crown Series Bellerive Regatta* is being conducted between February 23rd to February 25th at the Bellerive Yacht Club. It will be the 20th Anniversary of the regatta and 171 years since the very first Bellerive Regatta which began in 1853.

The Bellerive Yacht Club invites sailors from all over the state to participate in this iconic event. This year there will be five separate race courses on the River Derwent and the regatta is incorporating the SB20s State Championships. This will make for spectacular viewing for enthusiasts. The Club also invites family and friends of the competitors and members of the public to join us for fun and entertainment on-shore. There will be a range of food options and live entertainment throughout the weekend.

Follow the [Crown Regatta](#) link on the BYC web site for more information.
