The Committee Boat will be on station at B1 or B2 or in the vicinity of B1 or B2. The name of the Committee Boat for the day will be posted on the start list. It will be standing by on VHF Channel 14 if competitors require directions to the starting line.

FINISHING LINE

The finishing line will be between a staff displaying a blue flag on a Race Committee boat and a black and white chequered buoy.

STARTING TIMES AND INSTRUCTIONS

After each start there may be a 30 second time lag in the displaying of the new Division identifier and course board but the time for the succeeding Division shall be taken from the signal indicating the start of the previous Division.

Note: Boats should not transmit on VHF Channel 14 whilst a starting sequence is in progress except in an emergency.

TIMING AT THE END OF A LAP

The Race Committee may record the times of boats at the finish of a lap. If it appears that boats may not finish within the time limit the Race Committee may display the Code Flag 2nd Substitute accompanied by two sound signals which will indicate that the race has been finished at the end of that lap. An announcement will also be made on the course VHF Channel. This alters RRS 32.

COURSES

Courses will be indicated by course boards displayed on the Race Committee Boat. Marks are to be rounded and left to Port unless otherwise indicated.

→ **start** requires boats to pass between the outer end of the start/finish and the Committee Boat. When a green flagmark is laid near the Committee Boat (approximately on the start/finish line) it shall be left on the same hand as the Committee Boat

Boats shall not pass through the start/finish line except as required by the course instructions.
