

# REGATTA PROGRAM

**BANJO'S SHORELINE  
CROWN SERIES**  
Bellerive Regatta

The **Banjo's Shoreline Crown Series Bellerive Regatta** is being conducted between February 21st and February 23rd at the Bellerive Yacht Club. It will be the 21st regatta and 172 years since the very first Bellerive Regatta which began in 1853.

The Bellerive Yacht Club invites sailors from all over the state to participate in this iconic event. This year there will be five separate racecourses on the River Derwent and the regatta is incorporating the SB20s National Championships and the inaugural State Yachting Championship. This will make for spectacular viewing for enthusiasts. The Club also invites family and friends of the competitors and members of the public to join us for fun and entertainment onshore. There will be a range of food options and live entertainment throughout the weekend.

Follow the **Crown Regatta** link on the BYC web site for more information.
